"Setting the Standard"

for Life Settlements”

MANY PATIENTS LIVING WITH CANCER FACE A LOT OF DIFFICULTIES THAT DOCTORS SIMPLY DO NOT DISCUSS:

- Paying for various medical treatments
- Ability to keep up on important life insurance premiums
- Expenses of alternative treatments denied by health coverage
- Costly out-of-pocket expenses i.e. transportation and medication
- Dealing with less money for basic living expenses

WE HELP SELL YOUR LIFE INSURANCE POLICY FOR CASH YOU CAN USE TODAY INCLUDING YOUR GROUP LIFE INSURANCE POLICY THROUGH YOUR EMPLOYER!

Finances should be the last of your worries for when going through treatment.

Financial stress can make treatment rocky and more complicated.

Your life insurance policy can be used while you are still alive so you can focus on what really matters.

USE THE MONEY HOW YOU CHOOSE

- Income replacement
- Monthly living expense
- Out-of-pocket costs
- Alternative Treatment
- Pay off unwanted bills
- Vacation get away

Case Example:

Female 48 – battling breast cancer had a \$250,000 group life policy through work. Her health situation caused her to be unable to return to work with her employer.

Client was able to receive funds in the amount of \$125,000 to help her financially.
