

We help people coping with cancer sell their life insurance policies!

We help sell your life insurance policy for cash you can use today, including your group life insurance through your employer!

Life Insurance Settlements Inc. has been helping families for over 25 years sell their policies for cash to help relieve unneeded financial stress!

Let us help you get the max cash value from your Life Settlement so you can get back to focusing on what matters!

Contact us for a free non-binding appraisal and find out how much your policy may be worth.

MANY PATIENTS LIVING WITH CANCER FACE A LOT OF DIFFICULTIES THAT DOCTORS SIMPLY DO NOT DISCUSS:

- Paying for various medical treatments
- Ability to keep up on important life insurance premiums
- Expenses of alternative treatments denied by health coverage
- Costly out-of-pocket expenses for i.e. transportation and medication
- Dealing with less money for basic living expenses
